**Free Conference!**  
 Many of you have attended other conferences in other cities and found a significant registration fee. While we do not have a required fee to attend (we do not ever want anyone excluded because of money), we do have significant expenses.  
 We ask you to prayerfully consider any financial assistance you can provide. Any donations are rewarded by God as alms-giving because these donations come from your heart and help provide these free conferences.  
**Donations are our primary source of income. We are not part of any bigger organization or business, as some mistakenly believe.** We are an independent 501(c)(3) religious organization.  
 Prayers are also encouraged and welcome as our ministry is built on a foundation of prayer. Thank you!
